### **Woodside Charleston Brie ( Adelaide Hills, SA )**

Charleston Brie is a true artisan cheese. The unique flavour is attributed to the multiple white moulds used on its surface. Once ripe the cheese develops its distinct rich and complex farmyard, mushroom like flavour.

### **Cropwell Bishop Stilton Blue ( Nottinghamshire, England )**

Stilton has a dry brown rough rind around a creamy ivory paste with liberal blueing that spreads all the way to the edges. This cheese is full, rich and creamy with complex flavours of honey, leather, tobacco and molasses. The aroma is huge and spicy; the rind is edible and very pungent

### **Maffra Cloth aged cheddar ( Gippsland Victoria )**

This award winning cheddar is sweet and rich up front with complex after tones and a grassy aroma. The texture is moist and slightly crumbly
